Student Body Officers

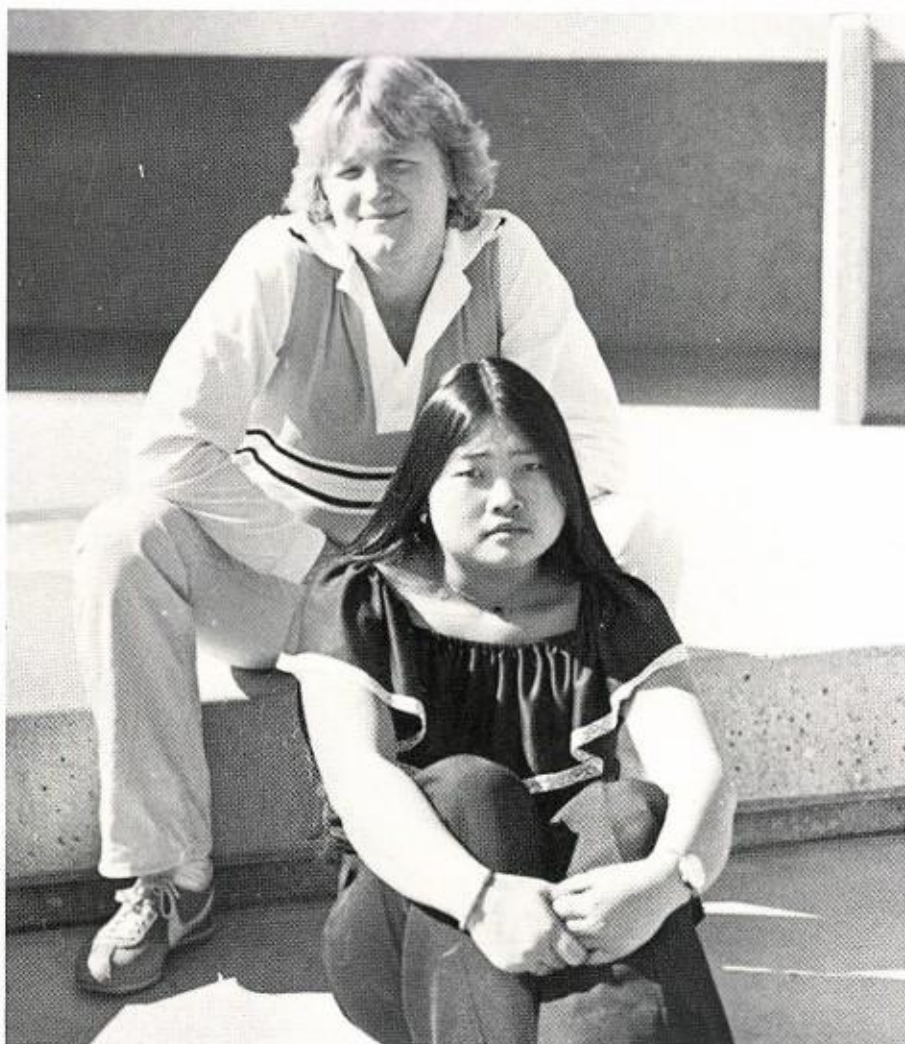

At the beginning of the term our Student Government ran successfully even with the absence of our president, Doug Emerick. Jim Canary showed outstanding leadership during this important transition period. As the new semester progressed, so did each officer. They sought an incentive grant from the Washoe County School District for \$9,000 to be used for a student store, sound system, and a portable stage for the courtyard. They also initiated our first Student Forum, which gave our students a chance to voice their opinions on student life. When they had completed their term, they felt pride not only in representing Reed, but they also felt pride in themselves for what they had accomplished as individuals toward the improvement of Reed High School.

Forensics

The Reed High Forensic team was again very successful in competition this year. They won many trophies including sweepstakes trophies on the local, state and district levels. The year was off to a fine start under the leadership of Greg Wellons, president of the organization. In addition, Greg and his partner Mark Zeller came in second in debate at the National Tournament last summer. The forensic squad boasts many outstanding individuals; but, as in any other "sport", winning is a team effort. Everyone contributed to this success.

Members: David Verhoef, Kim Jones, Theresa Angelo, Kathy McCuskey, Rick Clyne, Russell Kelly, Greg Wellons, Dan England, Steve Ansolobahere, Eileen Kearney, Pete Cytanovic, Jim Canary, Kristen Doering, Cheryl Canary, John Margruder, John Barriage, Tammy Bader, Joe Freda. Not Pictured: Charles Dannell, Scott Frantz.

The NJROTC unit participated in a wide range of activities this year; the candy sale was only a beginning. They took part in the Jack's Carnival Parade and led the high school division of NJROTC units in the Nevada Day Parade. One of the highlights of the year was a trip to the Coastal River Division Eleven at Mare Island, California for training in the operation and navigation of small river crafts.

Drill Leader-Yvonne Fulton

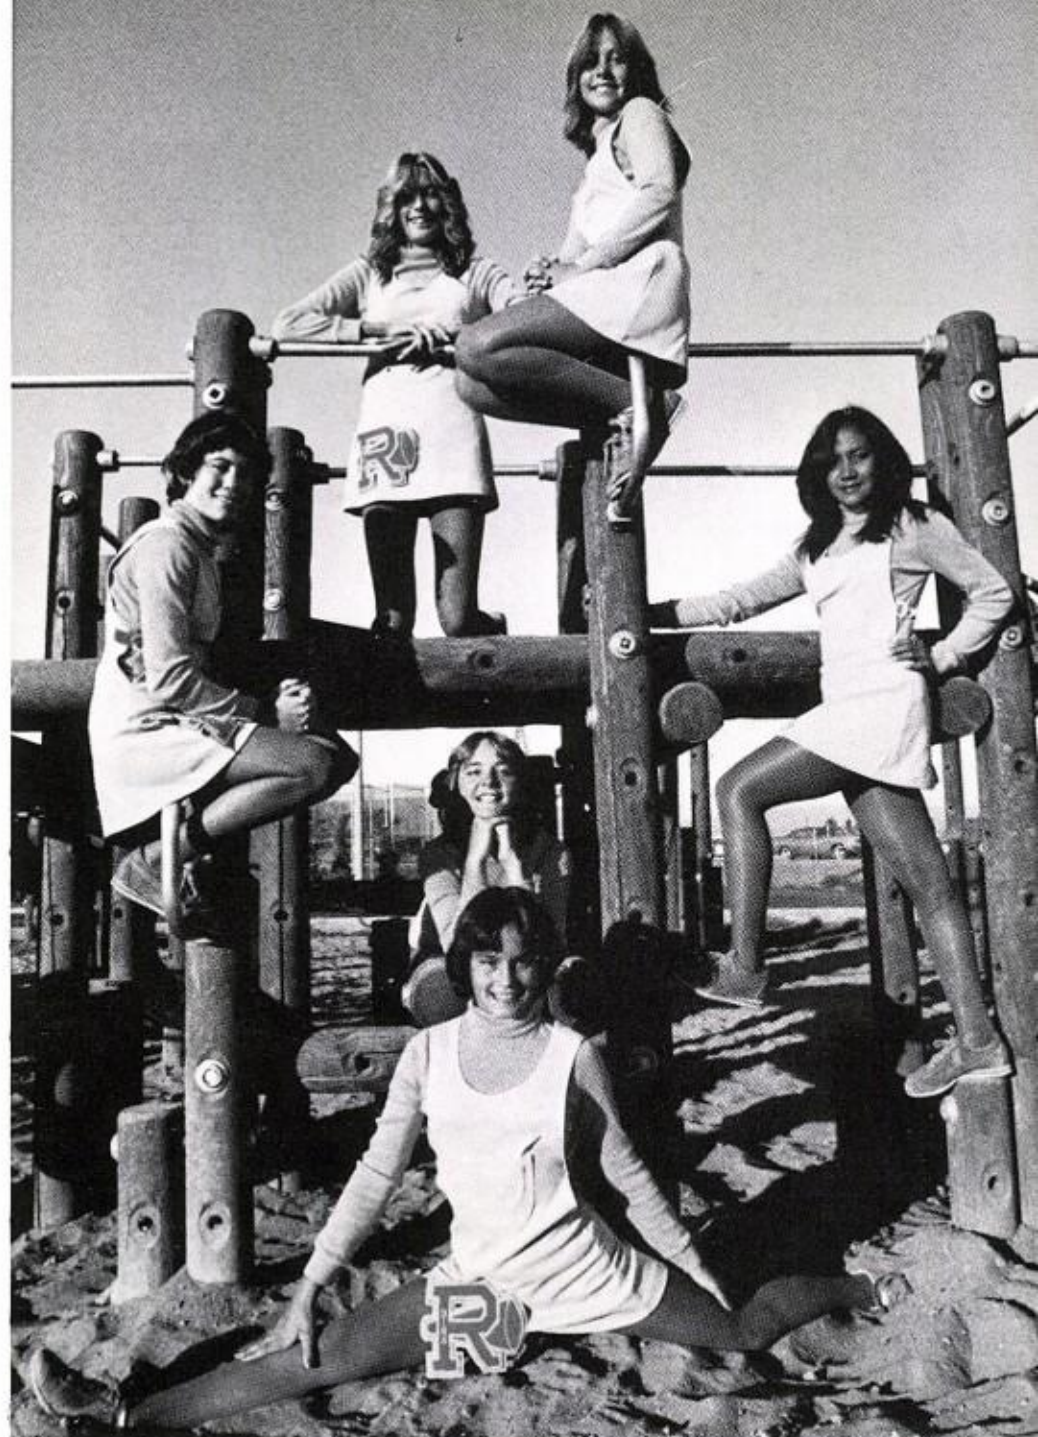

The 77-78 Royals tried new and exciting ideas which improved with each routine. They started out the year by attending Drill Team Camp in Sacramento, and brought home third-place Competition and all-around Superior Trophies. Their first performance at Reed received a standing ovation. Another highlight of the year was attending the California State Drill Team Competition in San Jose. The girls were proud to receive fifth place at this meet. This ended a very successful year.

Frosh Cheerleaders

Although this was their first year at Reed, the Frosh Cheerleaders showed much confidence and spirit. In spite of their outside and school activities, they practiced long and hard at perfecting their cheers. Their hard work paid off when they performed!

JV Cheerleaders

Joanne James-Head Football
 Tracy Young, Tammy Spears, Sonja Harris

Varsity Cheerleaders

Dawn Carrier	Christianne Robinette
Kelly Van Dyne	Janice Cox

Along with the fun and glory of being a cheerleader comes heartache and tears. Much hard work and time go into their enthusiastic performances. Captivating and bubbling with spirit, these girls helped motivate school spirit.

These six enthusiastic girls tackled the job of promoting school spirit. They extended their smiles, cheers, and enthusiasm to everyone throughout the year. Outstanding in everything they did, these "spiritmakers" cheered our team on.

VIRGINIA CITY REQUIEM FOR A GHOST TOWN

It was a beautiful and memorable day
Saturday, August 10, 1968. Ferde
Adair, Sr., the great composer of "The
Ghost Town" and other
beautiful compositions, gave Virginia
the world premiere performance

*Rusted rotting swinging doors,
Dust upon dust.
The aimless drift of tumbleweed,
A burst of sun on broken glass,
Velvet and gingham,
Cracked mirrors
Rotting boards
And somewhere, somewhere,
A forlorn clanking bell
Calling in a congregation long gone,
Tolling in empty hope of resurrection
—no more*

We, the class of 1978, have faced a multitude of challenges in our high school years. More often than not, we have triumphed over them. These challenges, however, are of little consequence compared to those that we are about to face. As we graduate we must come to the realization that challenges of a different nature will confront us. They will be the kind that affect our jobs, our families, and our lives. Armed only with the knowledge that we possess now, we are ill-equipped to deal with these challenges. We must put away the toys of childhood and be prepared to accept the responsibilities of adulthood. Above all, we must aspire never to close our minds to new ideas and theories. Justice Oliver Wendell Holmes once said, "Your education begins when what is called your education ends." Our education must be a lifelong endeavor.

The girls of this year's Cross Country Team contributed the time and effort it took to become a good long distance team. The team was inspired by a promising freshman, Darla Reetz. Strong performances were shown by Carla Capehart, Bonnie Pedersen, Jaci Mease, and Jackie Fulton. They led the team to a good performance at Zone and State.

This year's boys' tennis team was a special one--one we should be proud of and others should look up to because they were the only undefeated tennis team in the north. This must be contributed to the individual effort of M.V.P. Danny Burnett and the Nolan brothers Dane and Tren. During regular season play, Reed's Boys' Tennis Team was the first undefeated varsity team in our history.

Team Reflections

To train with less than a quality effort and then expect a quality performance is futile.

-- Coach Lemus

This year's team gave each individual a sense of individuality and team unity.

-- Mark Pohlmeier

Whether we won or lost was not what counted. Competing made it all worthwhile.

-- Tom F. Hill

At times, it seemed track was the loneliest sport around. I found myself asking, "What am I doing here?" But, when I thought about it, I knew there was nothing better than sharing the victories and the defeats and experiencing friendships formed during the season.

-- Brian N. Skagen

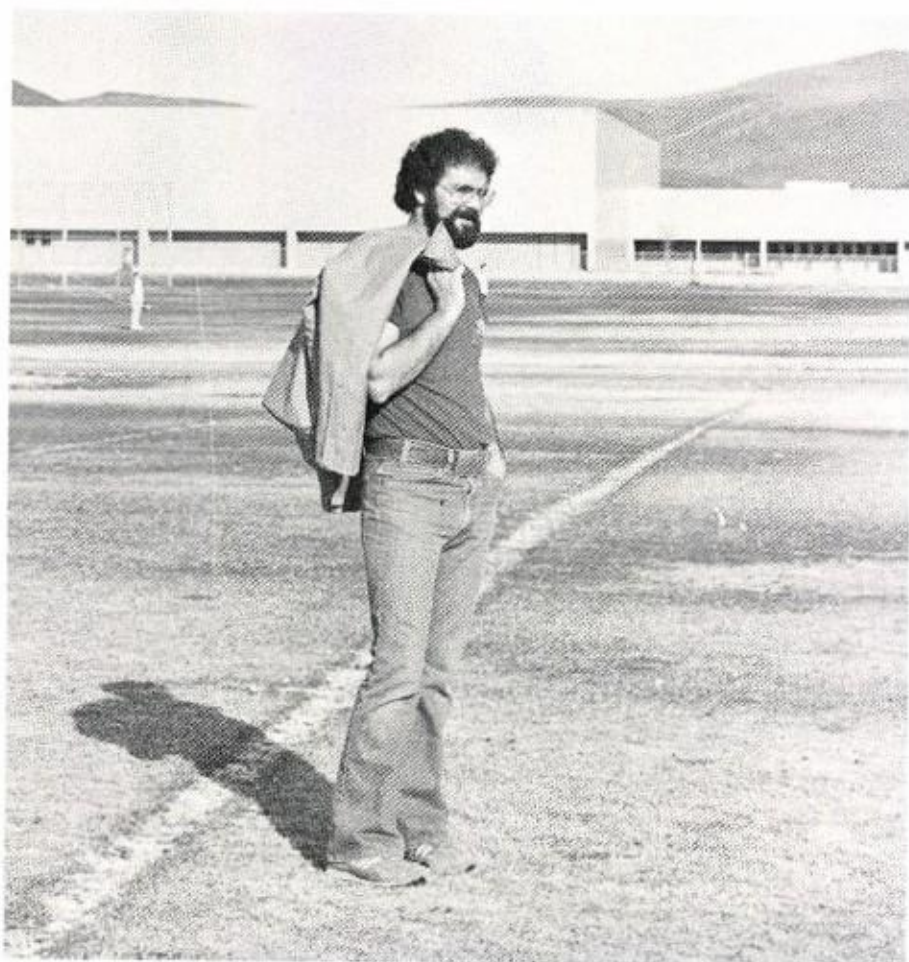

A promising team effort.

Nanette,

It was fun going with you,
and you're fun to be around.
~~It~~ You'll always hold a little
place in my heart. I hope
I see you this summer.
I hope you never change,
because you're just right,
I may not have treated you
~~with~~ right, but it was my
fault, I hope we stay

Nannette!

So you didn't like my jokes huh!
Well, I guess I'll forgive you.
It's been great knowing you and
you have a lot on the ball. TAKE CARE,
HAVE A FANTASTIC SUMMER, AND SEE
YA NEXT YEAR. LOVE,

We will be Seniors

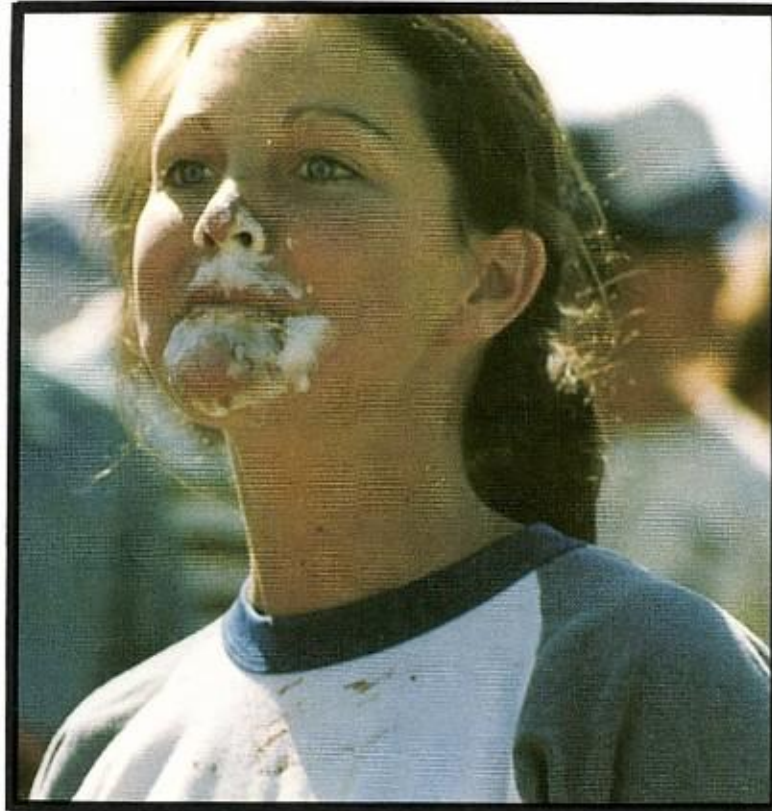

Every year, selected High School students receive the honor of attending Boys' or Girls' State. There they participate in the electing of officers and the holding of offices, such as Supreme Court Justice and Mayor, and they usually visit such places as the Governor's Mansion and the Legislature. Back at Reed, these bright and active students busied themselves in the mechanics of the school. They belonged to Who's Who in American High School Students, Honor Society, held class and organizational offices, and participated actively in many clubs and sports.

Homecoming 1977

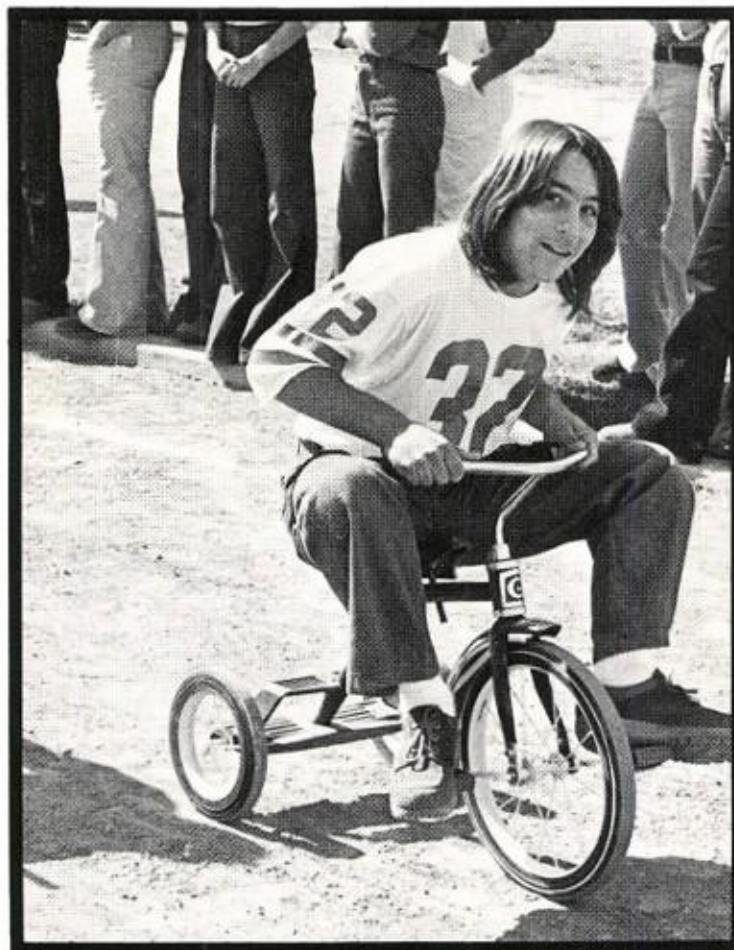

Activities for the 1977 Homecoming Week: Carson Mock Day, Movie Star Day, Halloween Day, Jersey Day, and Blue and Gold Day. Laura Hesse, a Homecoming Queen Candidate, munched her way to victory in the pie eating contest with the help of her escort, Alan Best, while Ricky Scurry zoomed ahead to win the tricycle race in a spectacular finish for the Seniors.

The Band and the Spirit Squad, consisting of the Drill Team, Cheerleaders, and Songleaders, performed for our Homecoming Assembly--all classes showed a lot of enthusiasm.

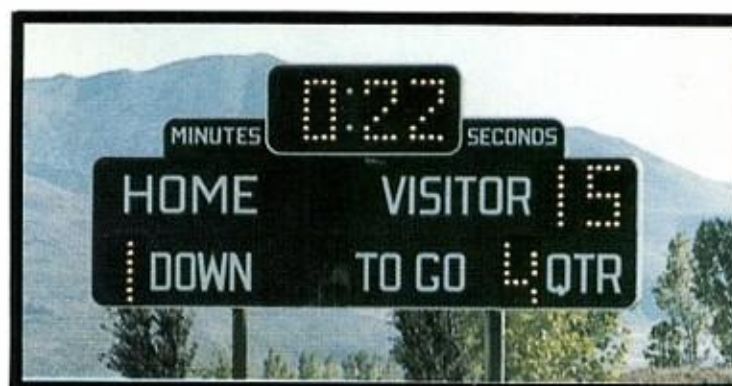

*it's better to have
played and lost than
not have had the guts
to even try.*

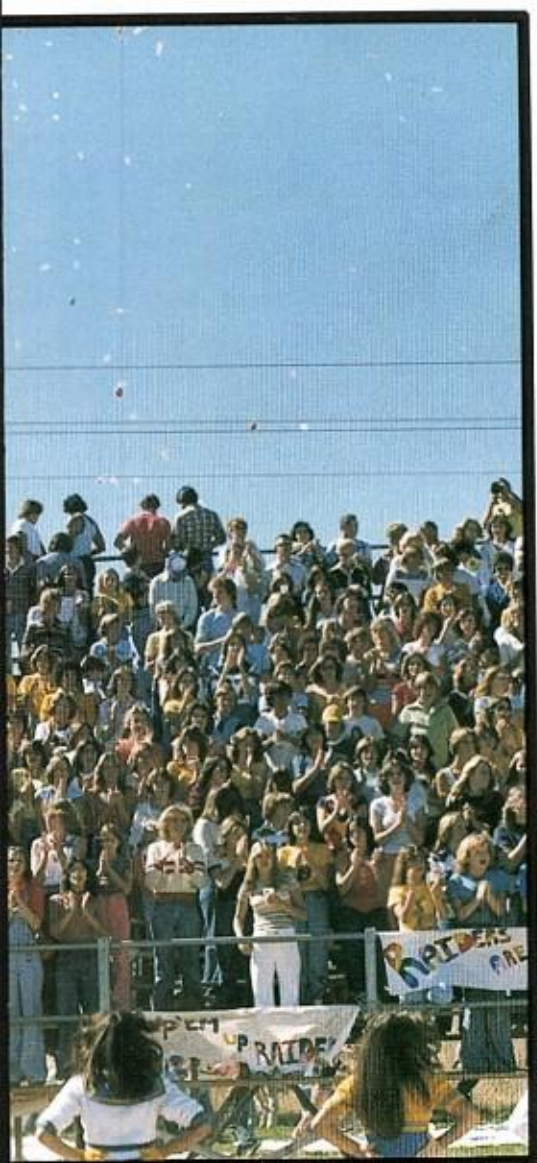

Despite the loss to Carson, Homecoming 1977 was a success. The halftime activities began with a performance by the Reed High Marching Band and the Reed Royals, and they ended with the coronation of the 1977 Homecoming Queen, Carolyn Rios. It was announced that the Juniors had the winning float, while the Seniors won the Spirit Stick.

Wednesday Night Fever

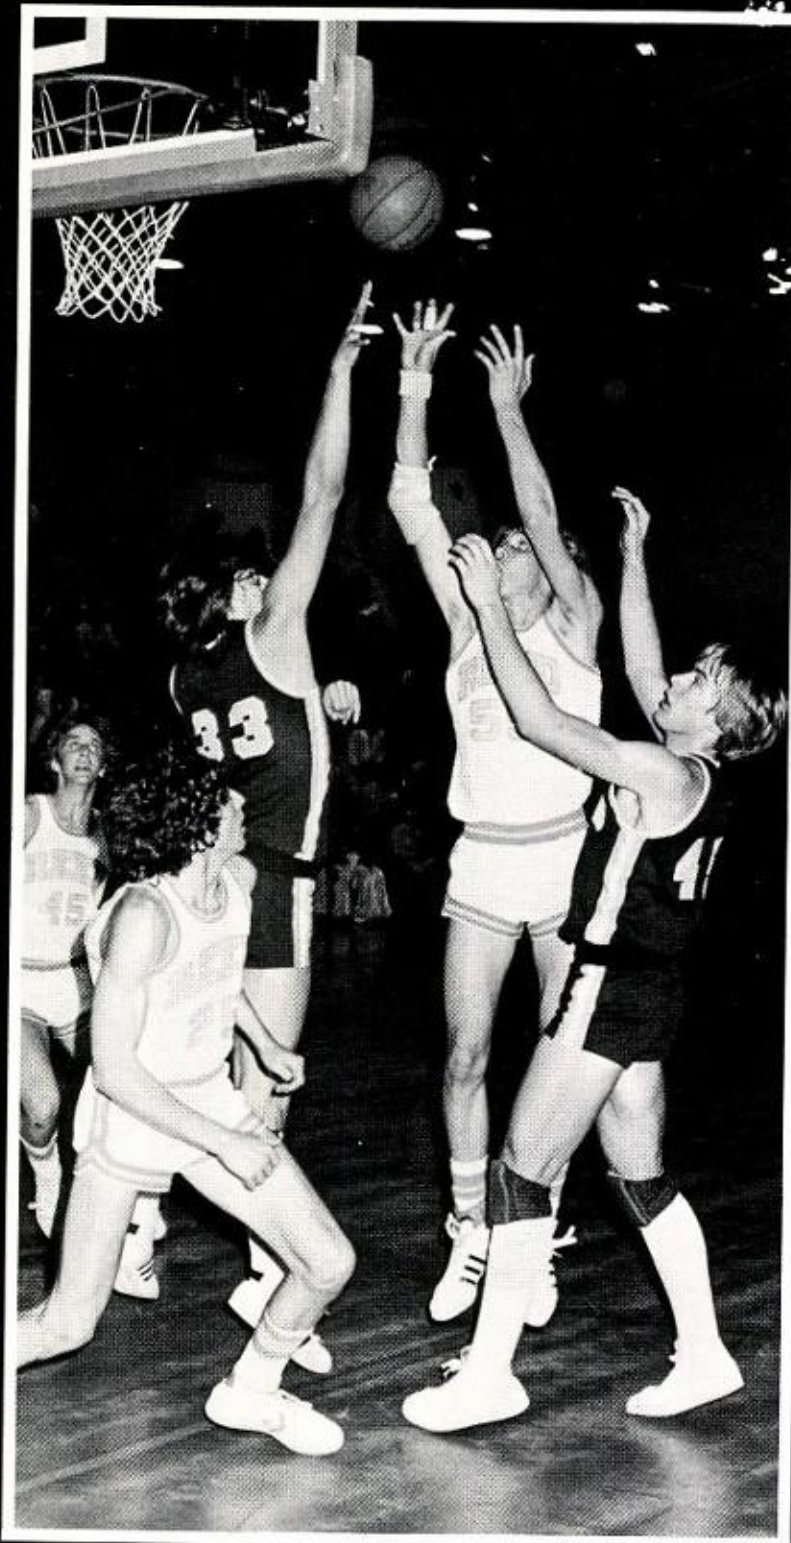

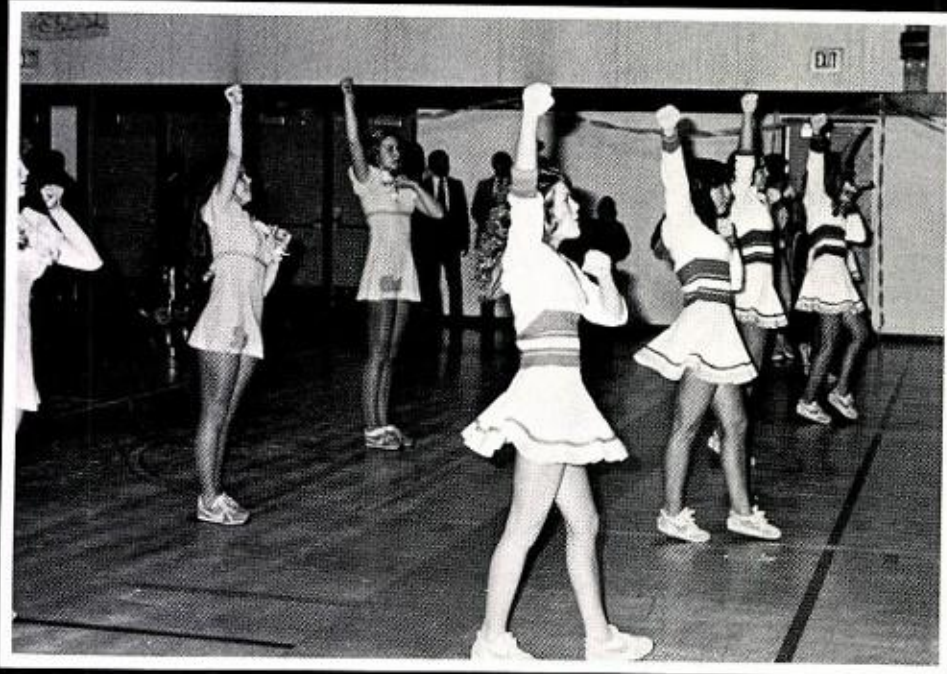

Dancing became a popular pastime and local discotheques enjoyed increased business from the younger population. Disco dancing produced unique new styles.

Basketball Homecoming '78

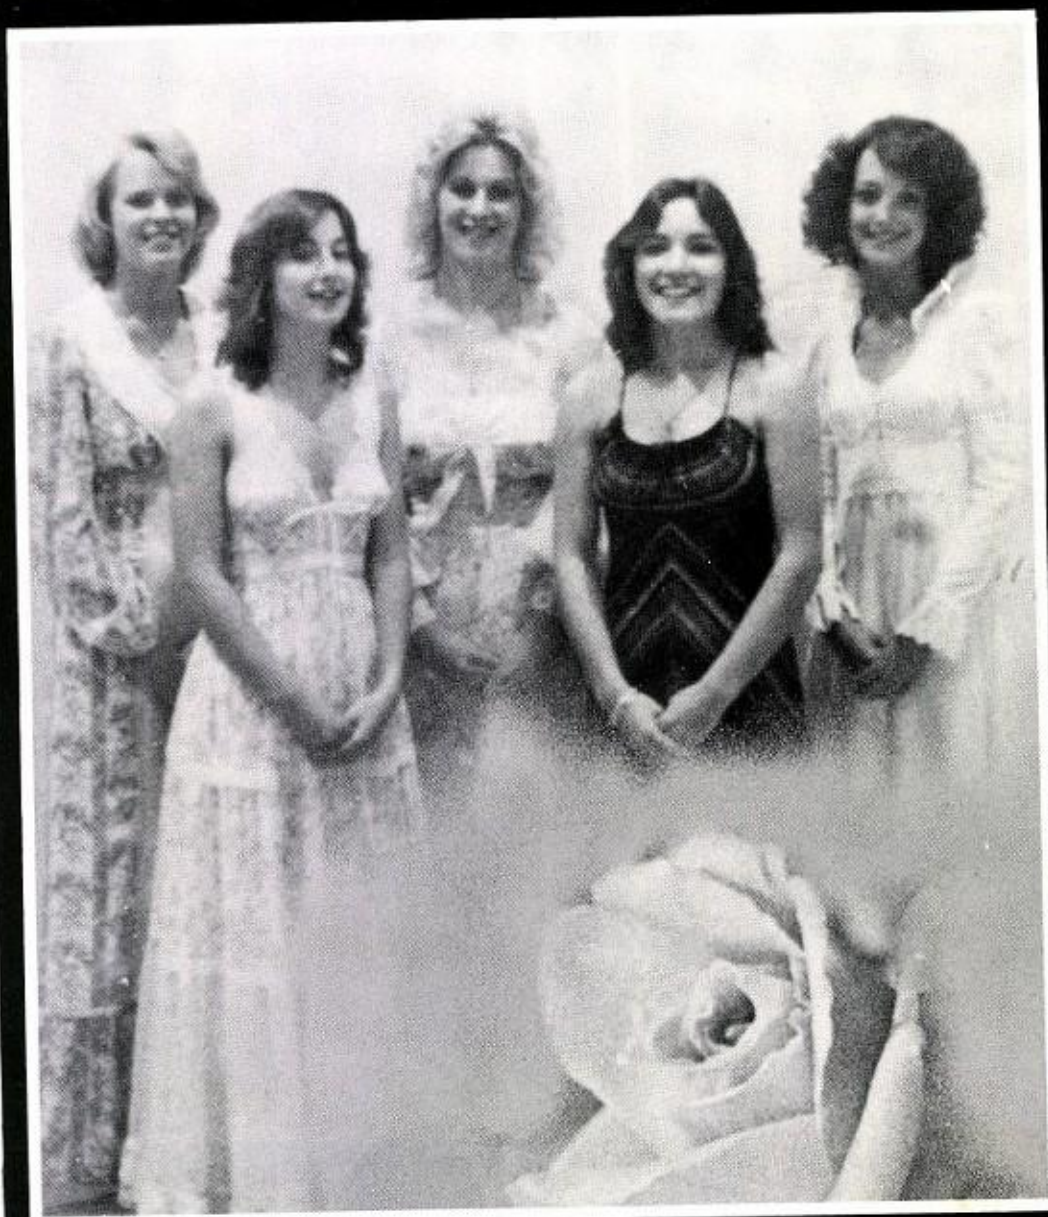

Basketball Homecoming climaxed a spirit-filled week in which many students participated. Halftime game activities included superb performances by both the Drill Team and Baton Twirlers. The crowd was disappointed when the Song-leaders were unable to perform, but thrilled with the selection of Jeanice Cox as the 1978 Homecoming Queen. Reed's triumphant victory over cross-town rival Sparks was the climax of the evening.

dust . . .
life is such a frail thing,
a tender fleeting existence.
if only we could dance here
a little longer.
it seems a waste to me
that all should fall
into the "sleep of ages."
no one really knows
what it really means; this sleep.
perhaps it ends our long day.
a final rest,
a peaceful home;
perhaps an even greater existence
beyond . . .

but who knows this secret?
who can tell the reason
we must pass
to other places yet unknown?
to become as our own earth.
to blend with all the others
that have left for their beyond . . .
to join the ground and fall
to dust . . .
